# ENDLESS SUMMER

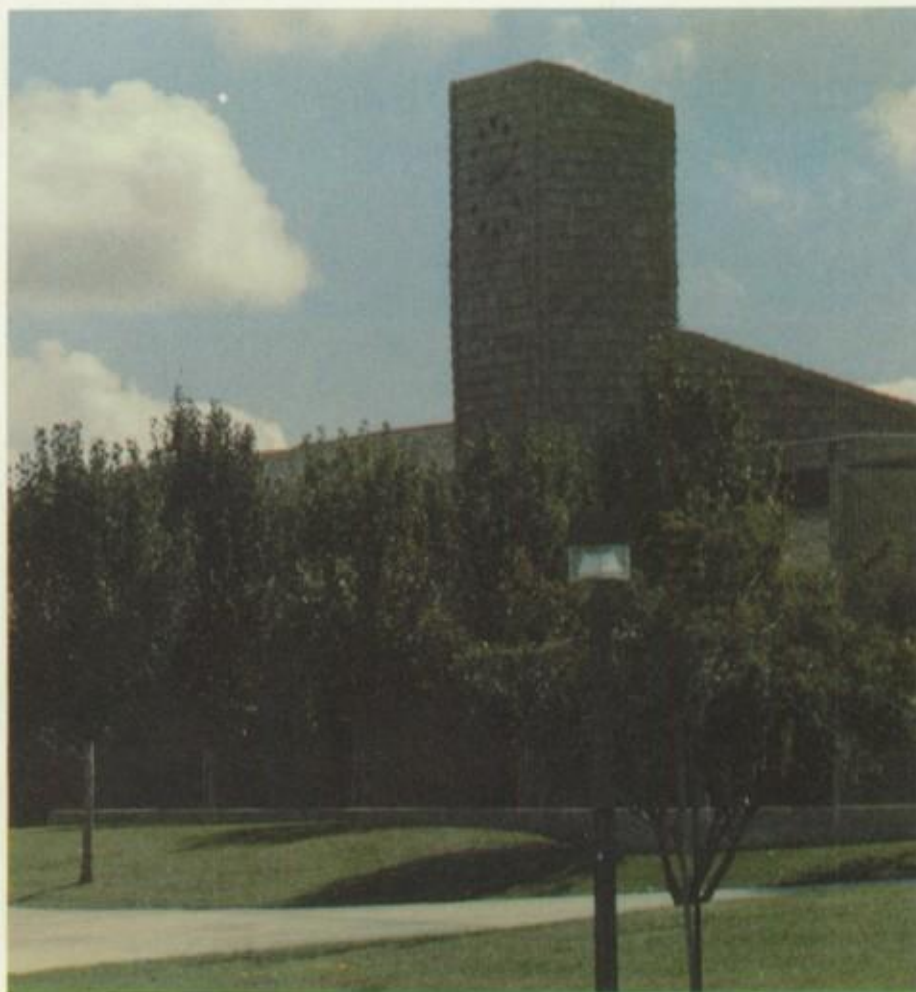

Summer is endless with time on our hands  
The days spent dreaming on the beach in the sand  
Friends are the happiness that you and I share  
Treasure the smile of someone who cares.

And Endless is the sky that leads on and on  
Forever the memory of a forgotten song  
Find laughter in eyes of a face you know  
And bury within you, the endless rainbow.

Working on goals to live a life by  
Reaching a dream that is held in the sky  
Endless is time where all is together  
Together in time is our Endless Summer.

SAIL ON, SAIL ON,

I sailed an ocean unsettled ocean  
Through restful waters and deep commotion  
Often frightened Unlightened  
Sail on Sail on Sailor

I wrest the waters fight Neptune's waters  
Sail through the sorrows of life's marauders  
Unrepenting often empty  
Sail on Sail on Sailor

Caught like a sewer rat alone but I sail  
Bought like a crust of bread oh do I wail  
Seldom stumble never crumble try to tumble  
life's a rumble  
Feel the stinging I've been given  
Neverending unrelenting  
Heartbreak searing Always fearing  
Never caring persevering  
Sail on Sail on Sailor

I work the seaways the gail-swept seaways  
Past shipwrecked daughters of wicked waters  
Uninspired drenched and tired  
Sail on Wail on Sailor

Always needing never bleeding  
Never feeding all my feelings  
Damn the thunder, Must I blunder  
There's no wonder I'm all under  
Stop the crying and the lying, and the sighing  
and my dying  
Sail on Sail on Sailor

# SENIORS

# TO YOU, SENIORS: THE LAST

From past to present, the class of 1982 has been there: growing, enlightening and, now, remembering and looking towards the future.

Think about that very first day, yours and the school's.

Think about that Freshman year, the first in a new career.

Think about the passing days and weeks.

From an empty field to a new school. From a group of vacant buildings to a virtual community of 1,500. From food services in the student store to a complete campus. From an empty lot to a swimming pool.

From a year without Seniors to a Senior year.

# OF THE ORIGINALS

Think about what the Class of 1982 has accomplished and, better yet, think about what it has the potential to do.

Aerie '82 remembers 1978 to 1982 and, with those memories in mind, dedicates this book to the first four year graduating class from Laguna Hills School.

If miracles can be expected, they can be expected of you and if the future is to be bright you can brighten it. Whatever your potential, we can only ask that you do your best whether it be as a student or a teacher, as a leader or a follower.

With these thoughts and this dedication, then, Aerie '82 wishes you all the best in all you do, from remembering the past in these pages to making the future outside of them.

Shawn Taggart, Senior Class President

## OFFICERS

Ivo Caouette, Senior Class Vice-President

Moana Ritchie, Senior Class Representative

Annette Peters, Senior Class Secretary

Cathy Mattie, Senior Class Treasurer

Special.  
That is the Class of 1982.  
That is the Senior Class Officers.  
Special because they represent the first four year graduates from Laguna Hills.  
Special because they represent those who are the first to really possess the Laguna Hills Experience.  
Special because they represent the true meaning of "1982."  
And, now, even more special than ever because they represent the ultimate in Endless Summer; with graduation, they leave only memories, here, in pictures, and there, in your mind.

# SENIOR

The **Class of 1982** is quite a unique group. They are the last of the originals; the first of the tradition setters. Being unique, the Seniors have their own special language that others cannot understand. Their spelling and punctuation are, well, as unusual as they are.

The Seniors were asked to answer questions like: What are your most outstanding memories? What clubs, sports, or organizations were you in? Who would you like to thank? Where are you off to after school?

Sound easy? Summing up the magic of the last four years is not an easy task. It is from there that the language of Seniors begins to form. So, if their memories seem somehow incomprehensible, it could be because only a Senior understands the language of a Senior.

The best of luck to all of you, the Class of 1982!

Love,

**Lisa Friedman, Michele Jackson,  
Sue Greby, and Leofwin Clark**

Freshmen Spirit came alive as the class of 1985 got their first taste of Spirit Week, Wednesday October 7th. Sports day was the theme for the 9th graders and the young Hawks pulled it off in a grand fashion. The competitions that were held at snack, included such events as a miniature golf contest, won by Gioia Criolana, a water balloon toss with splashing winners, Jackie and Suzi Lenz, and a frisbee throw won by Tawny Parkin. All in all, spirit day was a triumphant success for the freshmen and showed the promise of future greatness in the years to come.

## 1920's

The class of 1984 showed tremendous spirit and enthusiasm when the 1981-82 sophomore dress up day rolled around. Teri Austin and Ross Caouette showed us what the well-dressed flappers and gangsters were wearing this year at Laguna Hills, when they won the costume contest. All day the spirit of the '20's came roaring through, and then during break the costumed sophomores participated in a variety of activities. Dave Price, cleaned up at the ice cream feed, when he showed the spectators just who the king of ice cream eaters was. Among the other events was a water pistol relay, and a Charleston contest. As the day ended, all the gangsters and all the flappers returned home and retired their outfits to the attic to prepare for another day at LHHS.

# juniors

Hail Caesar! Fellow citizens remember the days of Ancient Rome when grapes were thrown abundantly, Hemlock flowed freely and the campus was filled with vibrant togas and joy. John Belushi would have been truly proud of this glorious day. Let it be proclaimed throughout the land that the juniors were victorious over spirit week. Hail Juniors, we salute you, Et tu Jeffrey.

# AND THE BABIES WITH CLASS

The cries of Senior babies rattled the streets of Laguna Hills when Baby Day 1981 finally arrived. Newborn and overgrown, the Seniors came well prepared to hear fairy tales and participate in the joys of childhood. Many infants were seen playing Duck, Duck Goose, Red Rover Red Rover and Red Light Green Light early in the morning. The lollipop eating contest was won by Leofwin Clark and the balloon-tied-to-shoes-contest was a bursting success. Baby Day will be remembered always in the minds of the Senior Class of 1982.

The 2nd annual **Homecoming** was a success when Debra Reza accepted the title of Queen from last year's Homecoming Queen Lisa Ritchie. This year's court was announced at the Varsity football game against La Quinta. The court included Princess Moana Ritchie, Princess Diana Gallo, Princess Cindy Hite, Princess Donna Sherrod and Queen Debra Reza.

# FLOWERS FOR

Drama produced their first play of the year with the performance of **"Flowers for Algernon"** in late November. It was a compelling story of Charlie Gordon, a mentally handicapped man and a willing victim of a strange experiment based on the intellectual capabilities of man. Charlie, played by Jim Chamberlin, accepts the operation that would make him smarter. Going from dumb to smart, Charlie undergoes changes mentally and physically, but when he learns that Algernon, a mouse dies from the same experiment, he soon believes the same will happen to him and he starts to regress and returns to his normal state, a mentally handicapped man.

# WINTER BRINGS SURF DANCE

Let's go surfing now, everybody's learning how, come on a safari with me! The waves were rad and the sounds were cool at the **'60's surf dance**. Far out surfer cats hangin five and riding the tide in their beach apparel even though Summer was tucked under the chilly Winter skies in early December. Though the gig was small, there were cool dudes and swingin chicks hangin' out down near the surf in the gym. Groups like the Beach Boys, Go-Go's, and the Deltones, played the wild tunes that everyone wanted to hear. There was a limbo contest in which surf cats put their skills to the test and there were far out slides of high waves and totally cool surfed out surfers. Bananas and pineapple were sold as well as leis. It was a farout night in those wild '60's down near the surf in Laguna Hills.

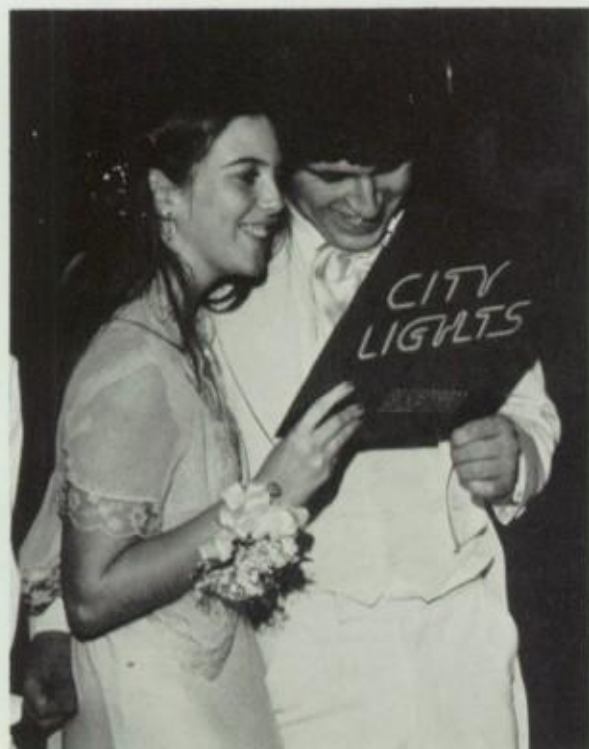

# AND VARIED ASSEMBLIES

As winter shed it's cold days upon Laguna Hills, two assemblies warmed up the students. One brought a little Christmas, the other brought fashion and excitement. The Christmas Assembly on December 18th, delivered Santa Claus and the old tale of "Twas the Night Before Christmas." Class competition was the candy cane pass and a lesson on how to wrap a student as a gift. The Winter Assembly on January 9th announced the Winter Formal Court and gave the crowd a glimpse of the newest formal fashions.

# WINTER LIGHTS SHINE BRIGHT AT WINTER FORMAL

On the star filled night of January 16th, the "Winter Lights" seemed to be shining the brightest in a luxurious ballroom at the South Coast Plaza Hotel. With ladies in elegant gowns and men in formal tuxedos, couples shared a wonderful evening at the **Winter Formal** of 1982. The band was City Lights and when they played, the room seemed to fill with dancers and a glorious memory was underway. (Sigh!) Time drifted on, and the announcing of the court brought happy smiles to a new King and Queen, Danny Blanck and Lisa Pike. The 1981 winter formal Queen, Cindy Robertshaw stepped down from her throne as Lisa's reign as queen began. Memories were shared and the winter lights seemed to shine bright even after the evening was over.

In 1955, a man so intrigued in staying home, drinking beer and watching baseball, came upon a chance to play against the New York Yankees and to become a well known baseball star known as Joe Hardy. This play, **Damn Yankees**, was preformed by The **Hilltop Players** of Laguna Hills High, directed by Mark S. Megill and backed by LHHS's Orchestra in late March. The musical comedy opened in the theater to reveal the blooming talent from all of the stars. With the help of Joe Hardy and a devil of a man, Mr. Applegate, the consistant losing streak of the Washington Senators won the Yankees in the World Series and also in the hearts of all known Yankees despisers. Jim Chamberlin and Stacey Stevens played the well loved but evil roles of Mr. Applegate and Lola, delightful versions of wickedness trying to keep Joe a baseball hero and not for him to escape back to his beloved wife, Meg. As for a happy ending? well the devil was finally put in his place and Meg and Joe Hardy lived happily ever after.

The class of 1982; the last of the originals. In the beginning, man brought stones and wood to Laguna Hills and there appeared, a mess. And upon the mess, came students to create a school and to begin a life of learning and growing. Friends were found and memories were shared by the family of originals who were first at Laguna Hills High. In dark rooms, lights mysteriously faded into bleakness and stories of a ghost named Poncho were told. Victories were won in sports and the rising of the Hawk sent forth competition. At the end of four long years, Seniors retire from their desks, return faded books and set forth for a new beginning, a new life. On these pages, are the Superlative Seniors that ranged in categories from Most Likely To Succeed, to the most likely to do something out of the likely. Regretably not pictured are Most Talented, Stacy Stevens and Jim Chamberlin.

# HIGHLIGHTS IN VIEW, 81-82

Years go by and events occurring during a year, outside of school, are sometimes forgotten in a year-book. Things like politics, economy, entertainment and events concerning America, or the world for that matter, pass by and are stored in history books; only to be looked upon as learning material instead of remembered as good or bad times through the eyes of a high school student. On these pages, are those times in one year, March 1981 to March 1982. In this year, it seemed that while the age of the Space Invaders had its back turned, a new video game came and ate it up . . . PAC-MAN. In the movie theater, **Raiders of the Lost Ark** seemed to be the favorite among many.

**Taps, Reds and On Golden Pond** also made the scenes. In television, **Hill Street Blues, Mash, Dallas** and **General Hospital** caught many eyes while **Fridays** and **Saturday Nite Live** were the late night relaxers for tired weekend wanderers. In other entertainment, the sounds of the "Rolling Stones" in October '81, gave Mick Jagger a spectacular return. Music was unique with new wave and punk bands seemingly coming out of nowhere while "Journey" played superbly for rock fans. The '80s promised the greatest in music and the first two years marked the records for new and original sounds.

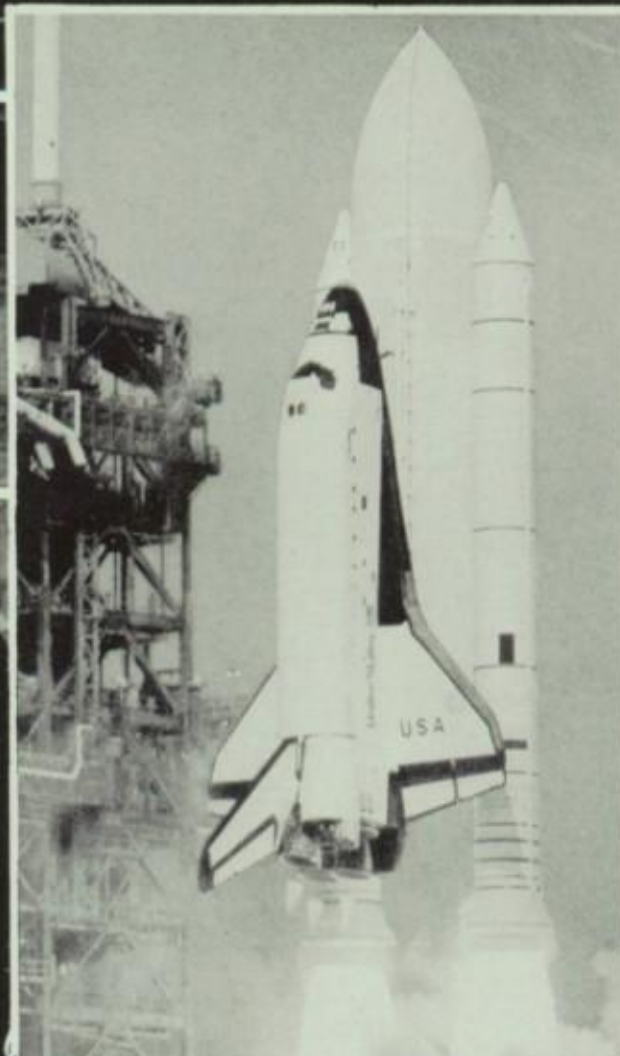

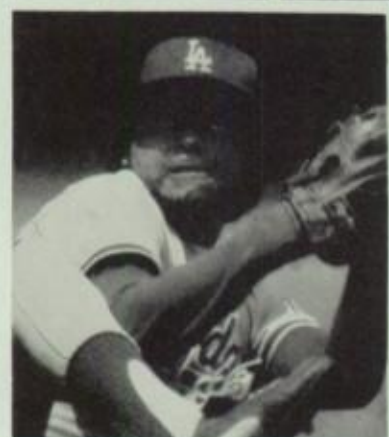

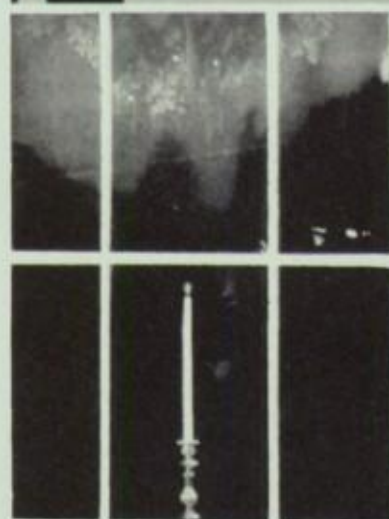

The U.S. car manufactures were driven away by imported cars and the cost of gas dropped in price from \$1.40 per gallon to \$1.15. President Reagan was shot in the chest by John Hinckley Jr. on March 31, 1981 in front of a Washington D.C. hotel. His Press Secretary, James Brady was also critically injured. On April 12th, the Space Shuttle Columbia lifed off from its launching pad at Cape Canaveral in Florida. It was the world's first reusable space craft and after 36 orbits and 54 hours in space, the craft glided to a perfect landing in the Mojave Desert. On May 13th, Pope John Paul II was seriously wounded by a gunshot wound fired in St. Peters Square in Rome. In Atlanta, slayings of young blacks reached 30 in a two year series of deaths and Air Controllors flew down from their towers in August on a strike. In Northern California, farmers fought a pesty fly; the medfly. On July 31st, a beautiful wedding took place at St. Pauls Cathedral in London. Millions of people watched the Royal Wedding of Prince Charles of Britan and Lady Diana Spencer. In Poland, strikes continued and a country full of fear awaited troubles ahead. Sandra D. O'Conner was appointed the honor of being the first woman judge to the Supreme Court in September, and Voyager 2 flew by Saturn and sent remarkable photos back to Earth. Sugar Ray Leonard unified the World Welter Weight title September 16th over Thomas Hearns at the riches sports event in history and in early October, President Anwar Sadat of Egypt

was assassinated by a band of commandos in Cairo. The Dodgers did well in baseball as they won the World Series over the New York Yankees. On December 13th, the Polish Government declared a state of emergency and issued a decree of martial laws. On Christmas Eve, President Reagan asked America to place a single candle in the window to show our support for the people in Poland, for solidarity. At the Super Bowl, the San Francisco 49ers swept the field with a score of 26-21 over Cincinnati. One week in January, a cold front swept across the nation that came down from the Artic Zone. In seven days, 261 people died in related cold weather deaths as the temperatures dipped down to places like 30 below and wind chill facters blew by front doors at 100 degrees below zero. The mountains were full of snow and weekends were spent skiing in powder or relaxing at the beach on a perfect California day. In March, the Jupiter effect alligned all of the planets to the sun for the first time and the last for another century and John Belushi, the well-loved comedian for **Saturday Night Live**, died. Yet with its many problems, the world seemed to continue on through the year with beautiful moments.

Times are remembered and forgotten yet they are relived in memories of us all. Highlights in view will hopefully bring back the good times and let our minds ponder on what has happened, and what will happen in the future of our lives.

Although the impossible combinations of crippling injuries and tough opposition contributed to a disappointing Pre-League Record, the **1981 Hawk Varsity Football** squad pulled together the best league record in the young school's four year football history, with 3 wins and 2 losses. With decisive victories over San Clemente, Dana Hills and Laguna Beach, the Hawks achieved a respectable third place finish in a very tough South Coast League and proudly made their way into their first CIF Playoff.

To the right is a picture of the **Varsity Football Talons**. They have earned the respect of the coaches and were chosen because of their athletic ability and years of training to lead the team into this year's winning season.

# A DYNASTY IN THE MAKING

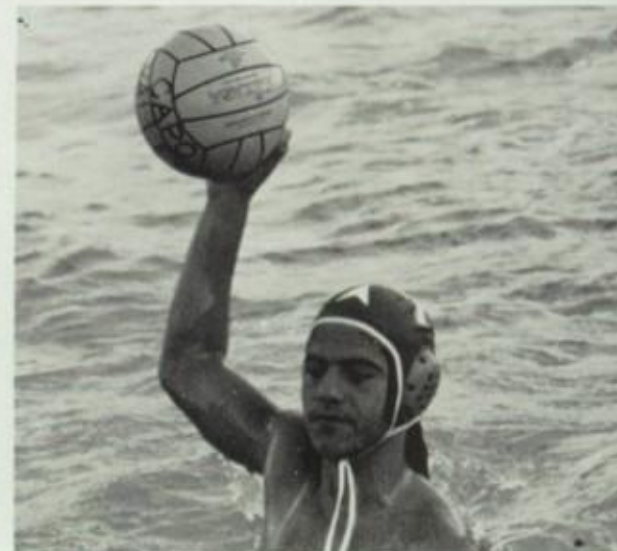

**Coach Tom Long**

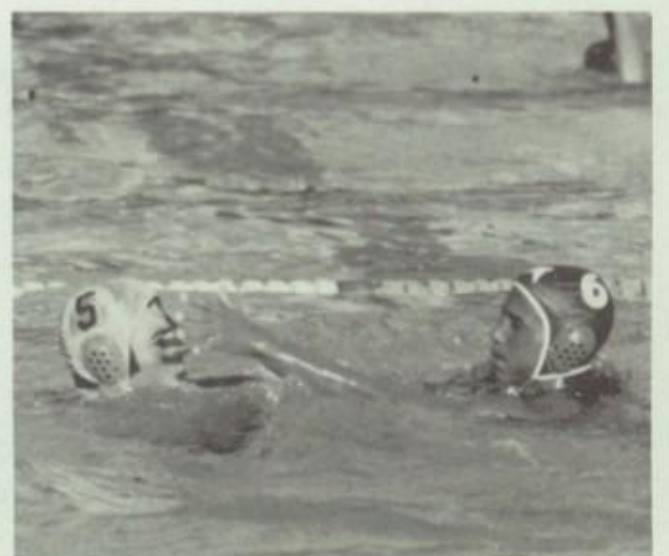

The 1981 **water polo** season saw its best success in the **Varsity** level since the conception of the program. The team had 8 wins over other varsity teams and a second place title in the Don Lugo Varsity Tournament. The varsity has begun to lay a foundation of success for future teams to build on. The entire water polo program is graduating only one athlete. Therefore, next year it will have the depth and experience that every good team must have. Defeating Laguna Beach in league play was a major victory for the Seahawks. Continued hard work with the combined efforts from the veteran varsity poloists and this season's **JV** and **Frosh - Soph** teams makes the Seahawks' goal of a 1982 league championship and a C.I.F. berth very possible. Next year will be the fourth year that many of the Hawks have played together as a team.

TOP ROW: Mike Cross, Jim Cranford, Kay Shahi, Bob Reinhold. BOTTOM ROW: Dan Miller, Terry Cronin, Rene Romero, Mike Croman.

**Coach Kurt McGill**

The **Junior Varsity poloists** dominated league play, capturing the league championship. The young Seahawks lost only one non-league game during the season to Fountain Valley. Many of the J.V. players will contribute to varsity play next season in hopes of continuing their success. Much of the team's success can be attributed to twice a day workouts and long hours of dedication. The **Frosh-Soph** team also tasted victory this season as they tallied up 12 wins. The poloists feel that with continued hard work over the summer, they can dominate the league on all 3 levels. Throughout the years of the schools existence, the aquatics program has grown greatly in quality and quantity. The 1982 season looks bright for the Seahawks.

# 10 S N E 1?

This season held many surprises for the **Girls' Tennis** team. They defeated their arch-rival Mission Viejo and also defeated Dana Hills. This produced their first league victories in Hawk history. This year Coach Lynn Asaro decided not to carry a J.V. team, which may have contributed to the high quality of play by her team. Many coaches were caught off their guard as the girls played the most competitive tennis thus far. Next year holds even more promise as most of the team is returning, yet these Seniors will be missed very much: Jane Darras, Kristi DuRose, Debi Miller, Bonni Parsons, Kelly Saunders, and Donna Sherrod. The award winners this year were as follows; Most Valuable Single — Debi Miller, Most Valuable Double — Cathy Goedecker, Most Improved — Valerie Prescott.

The **Varsity Basketball** team's **record of 15 wins and 8 losses** was the best in the school's history.

The pre-season proved to be the highlight of the year as the team posted a 12-1 record and was ranked fourth in the 2A Division of the C.I.F., and third in all of Orange County. This was the first time we have had a team ranked in either poll. They won the Garden Grove and Magnolia Tournaments, and finished third in the Brea Tournament.

The league season was a disappointment as the Hawks were the victims of two one-point losses, and two three-point losses. The team did defeat League Champion Capistrano Valley. Additional highlights were the **victory** over district rival **El Toro**, and **two wins** over cross-town foe, **Mission Viejo**.

Playing major roles in the team's success were; Dan Blank, Robert Carter, Curt Cook, Todd Litfin, Brett Olivier, Tom Ramsey, and Todd Williams.

The 15-8 record was a fine accomplishment and with three important players returning to go with some talented underclassmen, next year's team hopes to continue the winning tradition that the basketball program has established.

# JV SHOWS TALENT

The 1981-82 **JV Basketball** squad provided another fine season, as they faced a very difficult league. Led by Coach Jim Boyd and by Captain Kraig Kawada, the team showed finesse as they finished second in the Garden Grove Tournament. Expect to see many of these players next year on the Varsity squad.

FRONT ROW: Chris Davis, Dave Ward, Lenny Brown, Mike Lobianco, Scott Sargent, Derek Joyce, Allan Roman. BACK ROW: Khang Ngo, Todd Campbell, Grant Odell, Lee Plemel, Brian Hein, Mike McKay, Richie Herrera, Dave Price, Coach Dave King.

The 1982 **Sophomore Basketball** team had a great year. With the coaching of Dave King, the team ended the season with a 14-6 record. These young Hawks put in many hours of hard work and sweat in preparation for a tough scheduled season. The team showed the spirit and talent for future possible champions for LHHS basketball.

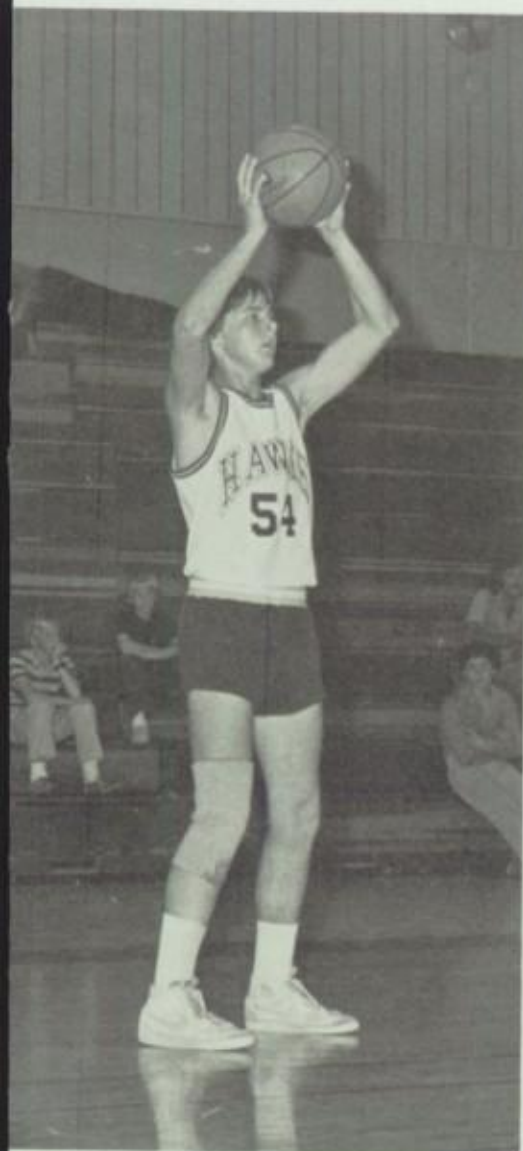

# FROSH TAKES LEAGUE

The 1981-82 **Freshmen Basketball** squad met the challenge of last year's Freshmen League Champions with a year highlighted by a 9-3 preleague mark, a 16-6 season record, (the second highest win total in LHHS Frosh basketball history), a 7-3 league record in the extremely competitive South Coast League, and, most significantly, a richly satisfying share of the 1981-82 League Championship. Leading the young Hawks to this milestone were Mike Garcia, Co-Captain and team MVP, Scott Shockey, Coach's Award recipient, and Greg Conradt, the Most Improved Player. Additional contributions to the team's achievements included Co-Captain Reed Ringler's leadership and timely scoring, Evan Cheatwood's hustle and consistency, and Ken Hardy and Mike McDaid's defense and rebounding. This year was one of challenge and accomplishment exemplified by the discipline, poise, and intelligence of the entire squad: the 1981-82 Freshmen League Champions.

# VARSITY SOCCER

The 1981-82 **Varsity Soccer** team, with the coaching of John Peters, started the season extremely well. They went through the entire pre-league losing only one game, and continued working hard to stay on the winning streak. Although the league play was not as profitable as pre-league, they had an enjoyable season.

FRONT ROW: Mike Norris, Casey Wright, Rob Allen, Doug Harris, Leon Rua, Chris Taggart. BACK ROW: Coach John Peters, Matt Shubert, Yuttasak Samawee, Mark Roest, Bill Colonna, Shawn (Captain) Taggart, Steve Traut, Pete Lugo.

# JV SOCCER

The 1981-82 **JV Soccer** team had a memorable season led by Coach Bill Whipple. The team faced tough opposition, and won few games. As the season progressed, they played more like a team, and managed to get a few more goals in the net. The Captain of the team was Bobby Reinhold. Next year many, if not all, will be prospects for the Varsity team.

FRONT ROW: Bobby Reinhold, Ciro Coppolla, Doug Harris, Ross Caouette, Michael Henderson. BACK ROW: Coach Bill Whipple, Johan Loonen, Mike Gillespie, John Hansen, Rick Paul, Eric Enroth, Jim Coffinberry.

# FROSH/SOPH SOCCER

FRONT ROW: Jerry Furlong, Mike Rosenbach, Dan Lee, Jeff Hundely, Jason Young, Dur Morris, Bruce Larsen, Barry Klassen, Anton Sixt, Tony Nider. BACK ROW: Coach Steve Horner, Chris Lankford, Chad Miller, John McKintyre, Pat Hery, Ed Berecz, Dean Goolsby, Chris Johnson, Loui Torres, Steve Young, Brian Holden, Mike Berecz.

The 1981-82 **Frosh/Soph Soccer** team had another impressive season with Coach Steve Horner. They were the league champs as they beat Capo Valley in a do or die situation by the score of 2 to 1. They ended the season undefeated with a 12-0-1 record, the best record of any other past Laguna Hills Soccer team.

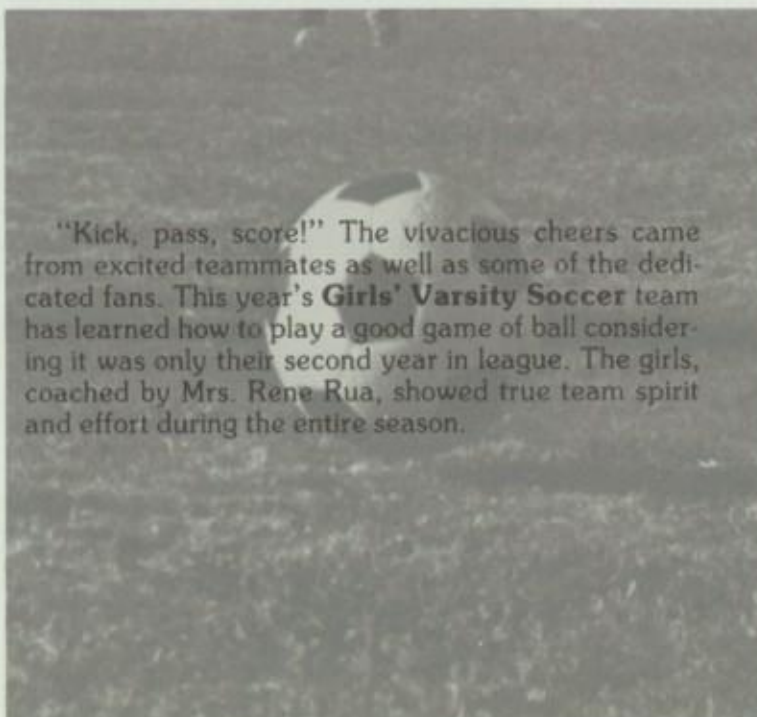

# GIRLS KICK OFF

TOP ROW: Tina Gray, Kari Miller, Jill Equals, Katrina Kogerman, Michele Clerk, Kelly Saunders, Debi Miller, V. Coach, Mrs. Rua. BOTTOM ROW: Kim Mullenger, Andrea Counselman, Regine Shambrook, Jill Spraggins, Vicki Colona, Colleen Gavin. CENTER FRONT: Sue Kiel.

"Kick, pass, score!" The vivacious cheers came from excited teammates as well as some of the dedicated fans. This year's **Girls' Varsity Soccer** team has learned how to play a good game of ball considering it was only their second year in league. The girls, coached by Mrs. Rene Rua, showed true team spirit and effort during the entire season.

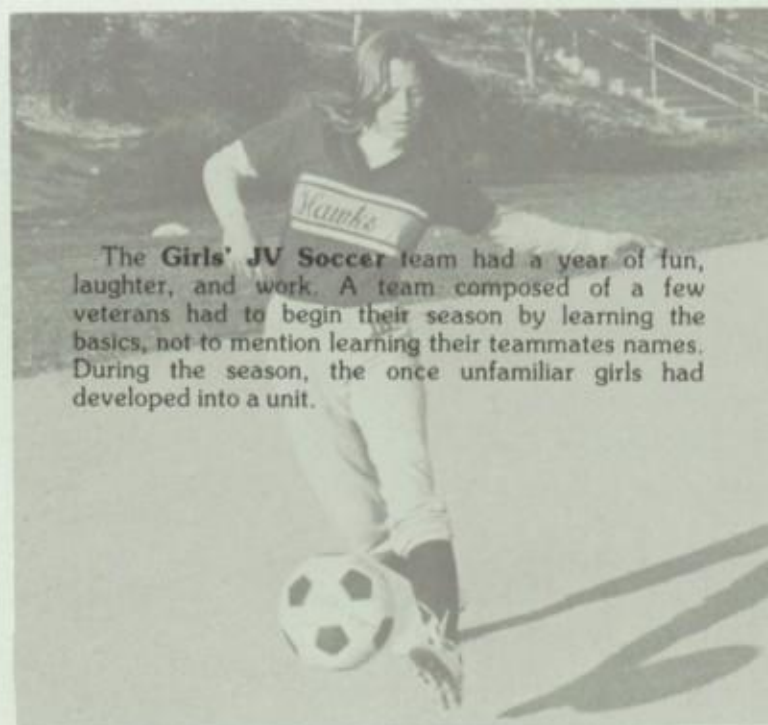

# ANOTHER SEASON

TOP ROW: JV Coach, Mrs. Burdick, Lisa Friedman, Lynne Krochmalny, Loraine Lysdale, Maureen Meehan, Arlene Forero, Kris Holliday. NOT PICTURED: Dina Koravos.

The **Girls' JV Soccer** team had a year of fun, laughter, and work. A team composed of a few veterans had to begin their season by learning the basics, not to mention learning their teammates names. During the season, the once unfamiliar girls had developed into a unit.

The Laguna Hills High School **Girls' Basketball** teams are in one of the strongest leagues in the 2A division of CIF. Their only disadvantage was height. They always played with hustle, determination, and above all, class. Top award winners for the Varsity team were: Most Improved — Terri Austin, Coaches Award — Robin Sheehan, Most Valuable Player — Carol Meihofer. Award winners for the JV team were: Most Improved — Kristen Maceranta and Yvette Leggett, Coaches Award — Lois Clarchick.

The **Boys Swim Team**, with the help of foreign exchange student Gustavo Lichtmajer, had a great season. They were victorious in several dual meets and they also performed well in tournaments. The Hawks had many fine athletes who helped the team to a victorious season. With the majority of the swimmers returning next year, the team is looking forward to another fine season in 1983. Coach Jim Curtis is very proud of his squad and their great performance.

# FROSH/SOPH BASEBALL

There was a very fine nucleus of **Freshmen baseball** players this year. Scott Shockey, Richard Nelson, Reed Ringler, and Mike Feldman pitched. Mike De La Garza and Steve Feserman rounded out the battery. Ken Hardy and Doug Condon were the first basemen while David Stevens and Steve Park played second base. Third base was played by Kurt Sine and Roger Walling, Howard Gasser was the shortstop. Rick Rucker and Don Proud played the left field position and Chad Miller was the starter in the centerfield. Mark Mullen and Don Driver battled it out in right field. Mike McDaid played as many of these positions as his "teeth" allowed.

# PRINCIPAL

## ENDLESS SUMMERS

All of us hope for life to be an "Endless Summer" of fond memories, relationships and accomplishments. The Class of 1982 was provided four years of Laguna Hills High School experience to draw on for those fond remembrances. You seniors will vividly remember opening day in September, 1978, when rains had turned this unfinished campus into a quagmire; but you will remember more vividly the friends that you made that first year. All of the first "Hawks" were looking for identity and this Class of 1982 was directly involved in the development of all that characterizes Laguna Hills High School.

You helped make it possible for the tone of this school to be positive. You got involved. You welcomed students from around the world to this campus. You dedicated your time and talents to performances, contests, academics, and social development. You worked with the staff to make possible a positive Parent/Student/Staff relationship. You were anxiously willing to be part of the "first of everything" at this school. You enjoyed successes and fought frustration. You are loved by this community.

My goal as Principal of this school has been to provide direction and atmosphere that encourages what you have accomplished.

Best of luck to all of you,

*Thomas K. Tuller*

# INTER CLUB COUNCIL

A new feature for 1981-82 at **LHHS** was **Inter Club Council**, also known as **I.C.C.** Headed by another first, a **Commissioner of Clubs (Debbie Reza, right)**, this organization is made up of representatives from all of the on-campus clubs at **LHHS**. It's purpose is to serve the best interest of all clubs as a whole, including fundraisers, publicity, and brainstorming.

The idea behind all of this, of course, is to strengthen the club program at **LHHS** and to provide better opportunities for all students who want to get involved. How has it worked so far? "Terrifically!" says **Debby Reza, I.C.C. Chairperson**, "we're off to a great start! We've set a tradition for the future, which should hold more activities in store than ever."

We are the ones behind the scenes and at the microphone. We are the first to arrive and the last to leave. We are the organizers, the planners, the workers and ultimately, the ones applauded or, as the case may be, blamed. In short, we are the doers, not the only ones at **Laguna Hills High School**, to be sure, but certainly unique in our scope and achievement.

## We are Student Council.

Each Student Council member, as an elected or appointed officer, representative or commissioner, has experienced the satisfaction of a job well done and of duty fulfilled. On the other hand, each one has also stayed up all night to prepare for the next day's event, pulling their hair out over that missing prop or person that absolutely had to be there to make it all work right.

Also, as leaders, they have helped **LHHS** to grow and have grown themselves in the process. That growth, I think, combined with the feeling of satisfaction that accompanies each successful activity, would make them all gladly do it over again.

Throughout the 1981-82 school year, the **Associated Student Body Council** sponsored a myriad of events. From more **dances** and **assemblies** than ever to a very successful **Blood Drive** (above) for the Red Cross to our first **Student Council Open Forum Meeting** to the **Senior Class Dating Game**, each one was an accomplishment in itself against a tide of organization and planning.

As the number of **ASB** sponsored activities increased, so did their quality. That, according to **Activities Director Tony Ferruzzo**, has made this one of "the best councils, years, for that matter, that I've ever seen." Thanks for the compliment Mr. Ferruzzo, as well as for keeping it short.

This year's Student Council worked all summer on the planning of events and activities. The highlight of this work was **Leadership Camp** at the University of California, Santa Barbara in August. Among other things, the group took **second place** in the talent show competition with their "Giligan's Island" and "Brady Bunch" skit. One other integral part of Leadership Camp was the fact that this year's Council, more than any other, was really **"in."** This, of course, is illustrated best by the picture above.

# JOIN THE CLUB (S)

## JOURNALISM

The people responsible for the 1981-82 **LHHS "Accipiter"** were: Clay Huntington, **Tony Lucia, Editor** Kim Harvey, Willie Song, Lisa Berger, Lisa Hedge, Terrie O'Neal, Scott Emmons, **Advisor: Mr. Hodges.**

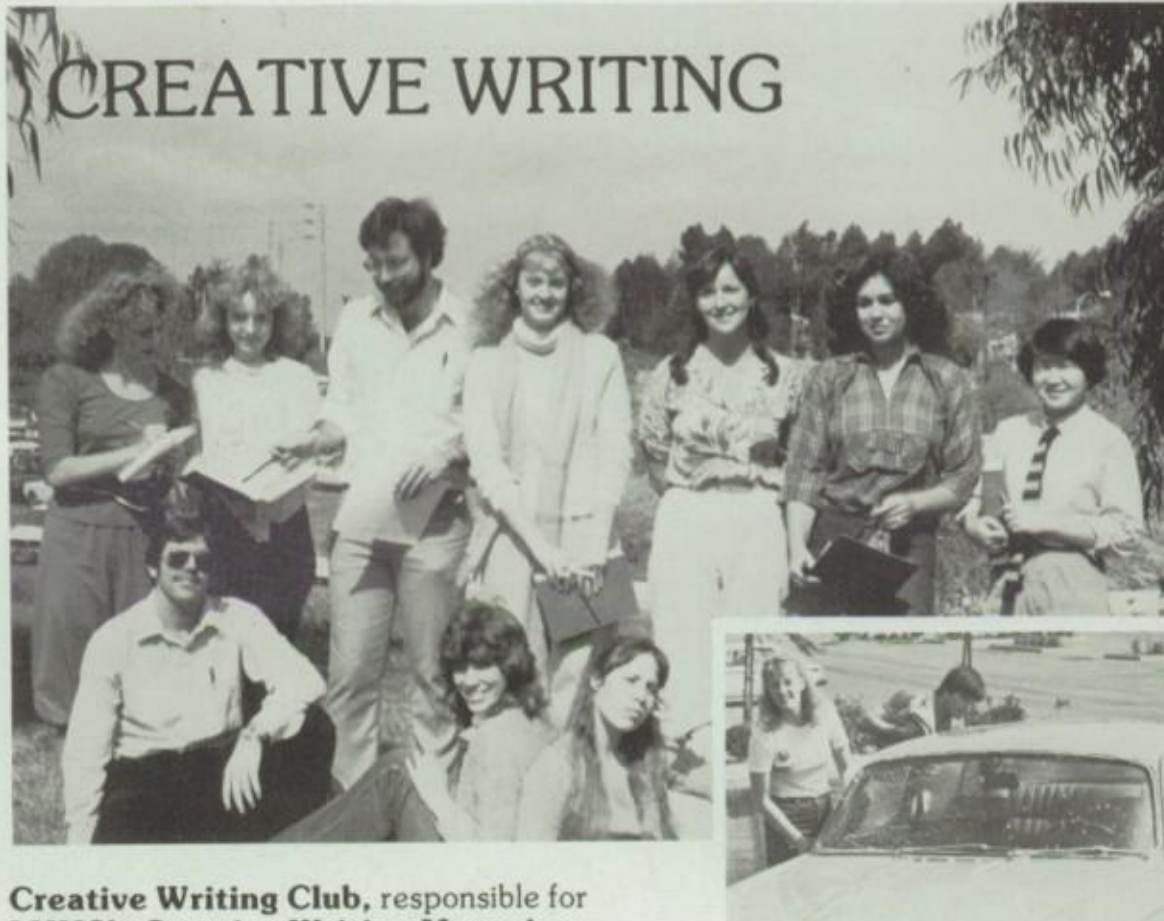

## SAILING

1981-82 was a big year for the Sailing Club. More concisely, you could say, well, that there sailboat came in. Pictured above are the **Mate, Mark Anderson** and the **Advisor, Mr. Spittle**. Other members of the club include Vince Baylor and Jeff Keenan.

## CREATIVE WRITING

**Creative Writing Club**, responsible for **LHHS's Creative Writing Magazine, "Apotheosis,"** held several writing contests throughout the year and met weekly to discuss the "best of all possible worlds." Pictured above are: TOP ROW: Jean Grigg, Bobbie Topping, Mr. Sisman (advisor), Melanie Daily, Mrs. Ruyle (advisor), Lisa Khademi, and Esther Chang. BOTTOM ROW: Jeff Fisch, Heather Peattie, and Corinna Davis.

In order to offer prizes for their contests, the **Creative Writing Club** held a **Car Wash and Bake Sale** (inset) to raise funds. According to club members, the event was a big success, but it was also very wet.

The case, the trial of a pair of purse snatchers, was made up by the **Constitutional Rights Foundation** and team assistance was given by the **Public Defenders Office**. Attorneys for the case were **Dinna Rivera** and **Leofwin Clark**. (with Mr. Sisman at right).

# EVEN MORE CLUBS . . .

## FILM CLUB

Whether writing scripts, finding places to shoot, or reviewing new film, the **Film Club** kept busy during 1981-82. Watch out, George Lucas, for greats such as the **Film Club's "The Gambler."** Pictured are: **Dan Shalaby, Everett Burrell, Ms. Okamura — Advisor, Joe Matonic, Aaron Himelson, Paul Herndon.** Not Pictured: **Mr. Sisman — Advisor**

## BOOSTERS,

This year, more than ever, clubs have abounded at **LHHS**. From the academic to the athletic, they have provided unlimited opportunities for everyone. Many of these groups possess a membership as wide and varied as the school itself. Some, on the other hand, are relatively smaller in scope.

Nevertheless, **Aerie '82** has tried to capture them doing what they do best: making **LHHS** the great place that it is.

A special thanks is extended to the **Athletic and Music Booster Clubs** who, no matter what the activity, are always there when anyone needs them. They are one of the most important factors in making **Endless**

**Summer** at **LHHS** a happy one.

Another vote of gratitude goes to the **P.T.S.O** for also being there to help whenever needed. All year long, support can be counted on to make any event a success. In fact, they are also an invaluable part of **LHHS** life.

## ET CETERA . . .

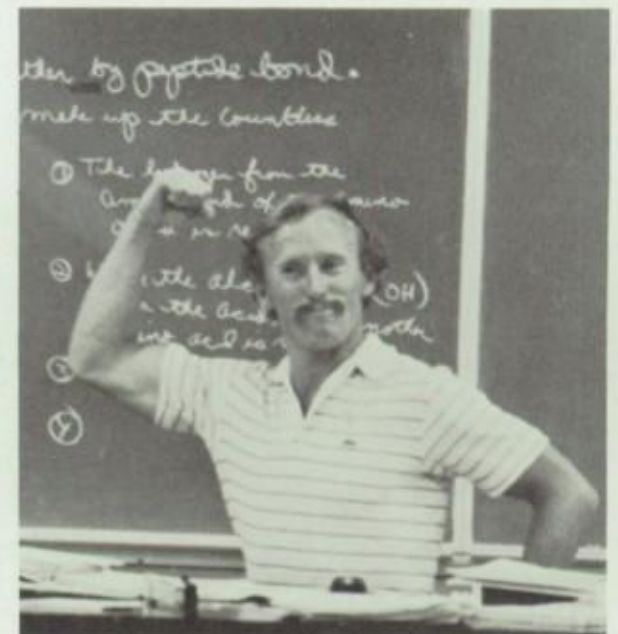

## FRENCH CLUB

The **French Club** brought a little bit of Europe to **LHHS** during 1981-82, but, more importantly, they brought a little bit of **LHHS** to France during their trip there. Sponsored by **Madame Brooks**, their purpose is to better understand and relate to the French culture. Pictured are: Mme Brooks, and officers Candide Stotler, Jean Grigg, Danelle Settlemire, and Kim-Ahn Nguyen.

**A.F.S., American Field Service**, is a club that offers better understanding between different people of the world by offering foreign exchange programs. Pictured above are, **Advisor, Mrs. Brooks** and officers Cathy Mattie, Annette Peters, Monique Brown, Pam Peters.

## FACULTY

Yes, even the faculty has a club. Even teachers can have fun. Pictured above is Faculty Club President, **Steve McCormack**.

## MATH CLUB

Every week in the daily bulletin there is a message saying "**math is fun.**" Mr. Rogers brings this advertisement home through his sponsorship of the **Math Club**. Pictured at right are: **Mr. Rogers, advisor**, and officers Julie Patterson, Kim Ann Nguyen, and Steve Bond.

# Y-BOOK STAFF WAS BEST OF THE REST

Nobody's done it better. All **Aerie** staffs have met the challenges that each edition had to offer, but no staff has done it with the absolute **style** of the **Aerie '82** family. We think you'll agree that this is the highest quality book ever and there is no doubt this was the staff year with the most laughs.

What staff member will forget such touching moments as Ken Navarra's farewell party or singing Happy Birthday to Leofwin in the hall? Who can forget such valuable learned skills as CBR or HairFu or when not to yell "SEX" in the classroom. What about the dramatic moments like the trial of Michele or Mike's trauma? Of course there was the toga party, holiday storytime and an occasional game of Subway. **Bobbing** for apples was fun and pie throwing was, uh, messy. Trips to fine fast food establishments yielded trash for "mom" to gripe about.

And through all this, we even did a yearbook.

# CHOIR: ENDLESS MUSIC

COMBINED CHOIR

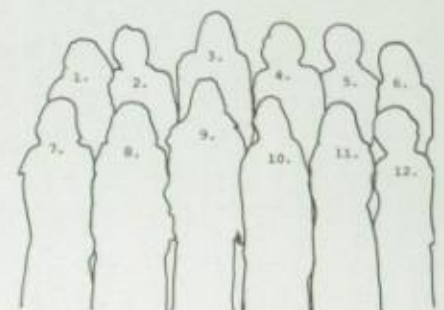

Music at **LHHS** has seen a steady rise in quality and acceptance over the school's history. This year's **Choir** is proof of that fact. 1981-1982 **Varsity Song** and **Cheerleaders** have boosted school spirit throughout the year. "This year was better than ever!" said Diane Gallo. The girls have had memorable moments in the time they spent together. "I'll never forget any part of my years as a LHHS cheerleader," exclaimed Laura Morris. Promoting spirit throughout the school was the primary job of this year's Pep squad. They performed in rallies, cheered for football and basketball, and attended cheerleader camp. This year the song and cheerleaders led the roaring crowds at football games all the way to CIF.

This year the **Junior Varsity** and **Freshmen Cheerleaders** have done an excellent job. The support they have given the lower level sports has boosted the spirit of the whole school. They really showed us what school spirit is all about. These girls, as well as the Varsity squad, were advised by Maryjane Dwyer.
